TWO CASES TRANSFERRED.

Williams Held to Answer on a Charge of Assault.

Owing to the temporary illness of Judge Alvord two cases which were to be tried before him have been transferred to Justice Koska's court. The case of the Territory vs Geo. A. Williams, charged with assault with intent to kill, was heard and the prisoner was bound over to appear before the grand jury. In default of \$500 bail Williams went to jail.

It appears Williams and Apt. Temple at Huachuca siding have had some business transactions and the former becoming angry at some real or fancied wrong took occasion to vent his anger by taking a shot at Temple and threatened to kill. Fortunately the shot went wild of the mark. He also had an altercation with Tom Smith, took a shot at that gentleman, but missed again, and will now explain to the grand jury.

The case of John Woods charged with assault and attempt to kill Si Bryant is set for this afternoon. Si bears several marks about his head as evidence of coming in contact with a butt end of a pistol and the prisoner has Attorney C. S. Clark to represent him and tell how it all happened.

The Discovery Saved his Life.

Mr. G. Calhounette, Druggist, Beaver ville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial the Tombstone Drug Store.

"We had an epidemic of dysentery in this vicinity last summer," says Samuel S. Pollock, of Briceland, Cal. "I was taken with it and suffered severely until some one called my attention to Chamberlain's Colic, Cholera and Diarrhoea Remedy. I procured a bottle and felt better after the first dose. Before one-half of the bottle had been used I was well. I recommended it to my friends and their experience was the same. We all unite in saying it is the best." For sale by Druggists.

Gen. D. K. Wardwell the postmaster of Ft. Huachuca came over last night on a flying trip and will return tomorrow.

The stage arrived last night about half past one o'clock being about four hours late, but under the arrangement as stated last night which was carried out, mail matter was brought up. It is believed by Monday all breaks will be securely fixed and trains again run on schedule time.

I. Mrs. S. A. Kell, of Pomona, Cal., had the bad luck to sprain her ankle. "I tried several liniments," she says, "but was not cured until I used Chamberlain's Pain Balm. That remedy cured me and I take pleasure in recommending it and testifying to its efficacy." This medicine is also of great value for rheumatism, lame back, pains in the chest, pleurisy and all deep-seated and muscular pains. For sale by Druggists.
